About JFEX Awards 2018

The Entrepreneur JFEX Awards have been running for more than a decade recognising examples of the creativity, imagination and vision within the financial services industry especially in Forex. Entrepreneurs in the Forex industry the awards will go from strength to strength, attracting entries from Financial & Forex services organisations across the globe – we will celebrate winners from MENA, as well as numerous category winners and shortlisted entries from USA, Europe, Russia and Asia.

The celebratory gala dinner for our shortlisted nominees, when stunning trophies are awarded.

The awards aim to celebrate all that is entrepreneur and innovative within FX and we would encourage you to browse through the rest of the awards site and see where the excellence in your organisation can become a nomination in the awards process. 'Old hands' and new entrants have equal chances to write a new chapter in the story of the Entrepreneur JFEX Awards by nominating those projects which are new and exciting in the financial services.

Judging Panel & Process

The Judging Panel

The judging panel is made up of internationally recognized and respected judges from a variety of related sectors and disciplines.

The panel is carefully selected to ensure the judging process is fair and objective. The judges are bound by a strict confidentiality agreement and are required to declare any conflict of interest in entries over which they deliberate and stand aside from deliberations concerning those entries.

Judging Procedure

After the closing date for submissions all nominations will be collected and reviewed by our panel of judges guaranteeing objectivity and credibility.

The judges will use the published criteria against which to score the entry. Each Award winner will be decided by consensus among the judges and no correspondence will be entered into by outside parties. Judging will be based on the strength of the submissions and according to the Award key criteria.

The judges will then submit their individual scores which are collated and a shortlist created and winners selected. Winners will be announced only on the night of the Awards ceremony itself. The judges' decision is final and neither the organisers nor the judging panel will enter into any correspondence about the results. **The judges reserve the right to choose the nomination location of each company.**

Confidentiality

We recognise and respect the sensitive nature of the information submitted in the entries. Entries are not disclosed or discussed outside the judging process. We do not publish the names of companies, organisations or individuals that have not won an Award, nor will we reproduce any information from your entry. Therefore if you enter the Awards, but are not successful, this will remain confidential.

In addition, entrants may mark any commercially sensitive information contained in their entry as 'not for publication'.

All entries and supporting material will be destroyed after the Awards presentation. The organisers reserve the right to use information contained in the winning entries (apart from contact details and any content marked not for publication) for subsequent publicity, promotions and other activities relating to the Awards.
